THE ELEGANCE OF JEWELARI

Ari has created the JewelAri collection with the aim of brightening the current recessionary global atmosphere with affordable “look good, feel good” exciting jewellery and gifts.

SPARKLING ELEGANCE

Each hand-finished piece is produced in finest metal alloy and is either gold or rhodium plated and decorated with a combination of Austrian crystals, pearls and richly coloured enamel.

Playful and classical unique designs celebrating the natural beauty of flora and fauna in all seasons influenced by the Victorian, Art Deco and Art Nouveau periods.

The skills of silversmiths and goldsmiths applied to non-precious metals.

DESTINED TO BECOME THE TREASURED HEIRLOOM OF TOMORROW

A product of true lasting value and character created in the finest tradition of British craftsmanship.

JEWELARI CARE

The beauty of a JewelAri piece does not fade with time, however the skilled craftsmanship should be protected with love and care. Precious metal plating of each piece, safeguards the original lustre and only an occasional wipe with a soft cotton cloth is required to maintain pristine condition.
